Message From Fundraising Chairs

Our beloved Temple Ner Tamid continues to provide virtual services, programs, support, information, and guidance during this COVID-19 pandemic. Many you know or even don’t know have gone well beyond the norm to provide essential services – front line workers, city and community workers, Nurses, Doctors, Hospital Workers, the Mayor, Elected Representatives, Elder Care Workers, Nursing Home Workers, Food Pantry Workers, Military Veteran Care Workers, Police, Fire, EMT, and Ambulance Workers.

This year’s non-event Tribute Fundraiser - necessitated by the COVID-19 Pandemic - is being dedicated to those essential personnel, as well as to our TNT clergy, professionals, and lay leaders who have gone above and beyond in leading us all through this crisis. As your Fundraising Tri-Chairs, we would like to dedicate this space to thank you, our devoted congregants and friends, who have supported this much needed fundraiser with your generous donations.

To quote John F. Kennedy, “We must find the time to stop and thank the people who make a difference in our lives.” You have truly made a difference!

As we venture through unprecedented times – We thank all of you for supporting our “Tribute Fundraiser”. Yes, our beloved TNT must survive we all know that. We thank all of you sincerely, for your continued support, attendance online and most of all, for your faith in us and in our beloved Shul.

Although these are extraordinary times, the fact is, we require financial aid to survive. We know that you realize this that is why we are so appreciative in knowing that no matter what, we can still depend on you. In good times and not so good times, you are always so generous, supportive and you always answer the call.

Thank you so much for answering the call again this time and every time when asked! Let us look forward to a tomorrow that returns us to a real “normal” so that we can share a hug, an in-person smile or even yes, a handshake, until that time, stay safe, stay healthy and know how grateful we are for YOU and your generosity. It truly is an honor for us to be a member of this TNT Family!

Rabbi Rick and Kit Perlman
When I agreed to accept my position as Associate Rabbi, my job description was spelled out and a contract was signed between me and Temple Ner Tamid. It was a mutually agreeable contract where the Temple had a need for someone with certain professional skills and I was (and still am) happy to provide those skills. Once I settled in with Rabbi Perlman, which by the way didn’t take very long, we got into a nice rhythm of davening together, giving talks, teaching and covering for each other when necessary. It seemed to me like the few years I agreed to be with TNT would be smooth sailing and the years would seem like a few weeks.

Then the unspeakable happened; COVID-19. How could it be that this virus could and would quickly change everybody’s lives from having the freedom to do as we socially pleased to a near lock down? And then from lock down to mask and glove wearing and socially distancing. Life as we knew it of shopping, working and communally praying together suddenly ceased. One couldn’t even visit a sick relative or friend and more sadly, funerals were restricted to immediate family of less than ten. What were we to do? Many who ignored the safety protocols got sick; some died. What were we to do?

What we did was and is what we had to do. We adapted. Rabbi Perlman quickly became an expert on ZOOM. He actually ended up tutoring many of our rabbinical colleagues on how to conduct virtual services. Clergy, government agencies and non-profit’s began reaching out to those in need. Shopping on line for nearly all of our needs became the new way of surviving. And ZOOM became the new way of keeping in “touch”.

“Der Mentsh Tracht Un Got Lakht”; “Man Plans and God Laughs”. God obviously is not laughing at us, but sometimes we forget that God is in charge and we’re going to get a curve ball thrown at us once in a while whether it is a virus, hurricane, blizzard, accident or illness (God forbid).

And so it is with our lives. While we’re on the ship of life, we don’t know what’s ahead, but we can still grab hold of the steering wheel and guide it and with God’s blessing and support, we can arrive safely into port.

We can adapt; we have the ability to adapt; we must adapt in order to “live”. And we must take awful and sometimes what seems like insurmountable challenges and situations and make them bearable and hopefully fun for not only ourselves, but for others as well.
Shalom,
Thank you for supporting our non-event fundraiser. The committee appreciates your dedication to our Temple as you contributed to our fundraising efforts. We realize “times they are a-changin’” however we also know that the Temple Ner Tamid community has accepted those changes.

Bob Dylan expressed changes and acceptance of changes so well.

*Come mothers and fathers
Throughout the land
And don’t criticize
What you can’t understand
Please get out of the new one
If you can’t lend your hand
For the times they are a-changin’*

The Temple leadership has made difficult decisions. Please do not criticize but understand. Please join us and lend a hand as we embrace that “times are a-changin’”. Your support ensures that we continue to have programs and daily and Shabbat services (even through Zoom). A special thank you to our health and medical advisors and to the ad hoc committee who have created safe plans for re-opening.

I would be remiss if I did not thank essential workers- medical, health care, first responders, educators, office staff, custodians, and of course our Temple clergy. Words cannot express my gratitude for what you have done and committed to do during this pandemic.

Our Temple building is closed however our Temple community is vibrant and well. Ruach is alive. Please join us at our Zoom services. Let us look at this pandemic as a time to reflect. We must learn from this experience and become a stronger Temple family.

Warmest Regards,
Adele Lubarsky

Carol and I want to thank our TNT family and friends who have worked tirelessly to keep us informed, safe, and spiritually connected during the current Covid-19 crisis. It is impossible to name all the individuals who have done so much to insure our temple family stays together. That said there are several people who truly went above and beyond.

Rabbi Perlman – Thank you for your caring, guidance, and keeping us all informed. Your ability to master and maximize use of the Zoom app keeping us spiritually and socially connected is truly amazing.

Rabbi Bernie – You are the perfect partner to Rabbi Perlman. Thank you for your beautiful davening, D’var Torahs, Lunch Bunch classes, and advising us of the latest Health Department virus numbers, and requirements as we work towards reopening our Temple.

Others who have gone above and beyond include:
Adele Lubarsky – President, activity committee chair who presides over various meetings etc. (and TV star)
Dr. Jeff Newton – our TNT consultant/advisor on Covid-19
Mimi Levy – for coordinating services, serving Kiddush at Friday night services, and being the ultimate “Mimstah”
Beth Hoffman – for the many things you do running TNT
John Dunn – working to ready the temple for reopening
Osvaldo Herra – for the many hats you wear at the temple
Also a Special Thanks to our Doctors, Nurses, EMTs, Police, and others who put their lives in harm’s way for us daily

Lastly, thanks to our awesome Mayor Ted Bettencourt for his outstanding leadership and all that he does for our community
